

Go on. Let them roam free.

Find out why Universal Office Products and HP are top of the class for school supplies.

At Universal Office Products we're proud to provide the tools that growing young minds need to express themselves. From pens and paper, to inks and toners, we're a one-stop shop for all your supplies.

- **We have a long history of success**

Since our inception in 1986, we've grown to become the leading supplier of stationery, office machines and IT consumables in the UK.

- **We get full marks for products**

Choose from our wide range of top-quality brands at competitive prices. Our account managers have expert knowledge and will gladly advise you further. Order online, by phone or fax.

- **We deliver when it suits you**

On time. Anytime. Our superb logistics processes mean we're able to efficiently distribute office products, furniture and printed matter the next-day. Order as and when you need supplies, so there's no need to stockpile at the beginning of every term.

- **We keep it personal**

We're dedicated to providing the highest level of service. In fact, you'll be assigned a personal account manager, as well as your own internal help desk contact. We simply don't believe one size fits all, so we'll tailor your solution.

- **We make things simple, and cost-effective**

The right products. The right prices. The whole solution. So you can get back to your day more quickly, we've streamlined and simplified the procurement process. We've also reduced costs throughout the supply chain.

Our strategic philosophy is simple. We put our clients first.

Don't take our word for it. See what our customers have to say.

Easy online ordering, fast shipping, great prices.

"Thank you for your recent help in supplying my department with office supplies. The account was simple to set up and it was welcoming to see how hard you worked to give me the best prices and save my department money."

Richard Larder, Head of Performing Arts, Edward Sheerien School, South Yorkshire

Excellent product availability and superior service.

"As a school we have been reluctant to use one office supplies company for most of our usage, due to their limited stock range. I must say I have been pleasantly surprised with your ability to stock and source the products we order and the delivery service is second to none."

Patricia [need customer last name!], [need customer title], Mackie Hill School, Wakefield

From blank pages, to all you'll ever need to fill them. Order our comprehensive HP Supplies catalogue today!

We choose the right friends. Universal Office Products + Andrell

Universal and Andrell have partnered to offer a wide variety of services and supplies to the education sector, helping raise standards across the curriculum.

Andrell works closely with schools and teachers to create and provide training and resources that really work. The products are developed by practitioners for practitioners and are designed to stimulate further learning within schools. All resources contain practical ideas and can be introduced immediately.

Universal is the exclusive UK supplier of Andrell products.

Universal and HP

We offer an extensive range of HP Supplies, including inks, toners and papers. As an HP Certified Supplies Partner, we have the inside knowledge and product expertise to help you with all your Original HP Supplies needs.

Buy Original HP Supplies

Leave a lasting impression

You may think you're saving money on discount, refilled or remanufactured print cartridges. But the cost of smudged pages, reprints and wasted time can more than make up the difference. With Original HP inkjet and LaserJet print cartridges, you get superb results every time – vibrant, fade-resistant colour and clear, crisp text that give a professional edge to everything from your spreadsheets and invoices to your brochures, flyers and newsletters.

Reliability you can count on

Tests showed that, on average, nearly 1 in 5 remanufactured cartridges were dead on arrival or failed prematurely.*

And 78.1 percent of pages printed with remanufactured colour toner were low quality due to fade, smudges, specks, lines, colour shifts and dropouts. ** When you buy Original HP print cartridges, you get brand-new, never-refilled, genuine HP quality. No failure, no leaks, no wornout parts – just perfect results from first to last print.

Friendly to the environment

HP's Planet Partners programme ensures when you buy HP print cartridges, you're also doing your part for the environment. The programme's convenient return and recycling programme provides you with envelopes or boxes for your empty HP cartridge that can be posted or are collected free of charge to you. HP has also been an industry leader in using recycled print cartridges and plastic water bottles in the manufacture of brand new HP print cartridges.

* In tests conducted by a leading European research lab. Based on results of brands tested in 2006/2007 by Innovationstechnik GmbH. Test commissioned by HP. Testing performed on HP 45A, HP 78A, HP 56 and HP 57 Inkjet Print Cartridges. Individual results may vary. See the Innovationstechnik report at www.hp.com/cc/inktest for details.

** Based on average results of the 2005 Toner Cartridge Reliability Comparison Study by QualityLogic, Inc. and commissioned by HP. Testing performed on the colour toner cartridges for the HP Color LaserJet 4650 (Q3558A) printer. Individual results may vary. See www.hp.com/sbso/product/supplies/supplies_reliability_toner_cartridges.pdf for full details.

Filling blank pages: the top 20 HP Inkjet print cartridges

Enduring, brilliant colour

Unlike other inks, Vivera inks offer a choice of pigments that give you vibrant, get-you-noticed results on all kinds of paper. They're the only inks tailor-made for HP cartridges, so they work flawlessly with your HP printers and deliver magical results every time. And with Vivera's unique fade resistance, your prints stay magical for a very long time.

Simple, elegant, bold black

HP's latest Vivera black pigment ink for your inkjet printers is highly smudge-resistant. Now your important documents are much less likely to bleed or smear than ever before. What's more, HP has improved the ink formulation to give your work maximum impact, with deeper, richer blacks for clear, crisp text, true greyscale images and sharper graphics.

Triple your productivity

A highly productive business needs a highly productive ink cartridge. And no cartridge takes care of high-volume jobs better than an Original HP Value Inkjet Cartridge. It prints up to 3 times more pages than a standard cartridge. So you don't just get stacks more prints, you also save time and money.

Filling blank pages: the top 20 HP LaserJet print cartridges

More colours, more "wow"

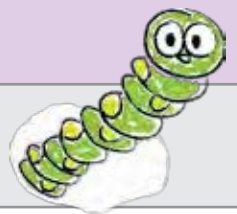

If you're after eye-catching colour that leaps off the page, HP ColorSphere toner is the right answer. The smooth, tiny particles sit snugly together making the colour more concentrated. And with 22 percent more colour than previous print cartridges you get more lifelike flesh tones, smoother colour gradients and 40 percent higher gloss levels – for even greater "wow".

Top 20 Media

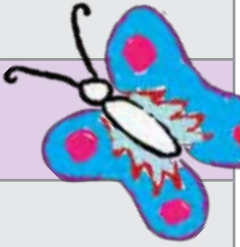

Enhanced paper for flawless prints

HP Everyday Papers with ColorLok are engineered to dry up to 3 times faster than ordinary papers. Which means they can be handled sooner with less risk of smearing. Faster dry-time is just the beginning. Documents printed on ColorLok paper using HP inks feature blacks that are up to 40 percent bolder and colours up to 10 percent more vivid. That's because special additives prevent the inks from penetrating too deeply into the sheet, resulting in improved optical density, uniformity and unparalleled vibrancy.
