EXPANDING OPPORTUNITIES, AND RESOURCES

Windows®. Life without Walls™.  
HP recommends Windows 7.

## FIXED BUDGETS? ENDLESS POSSIBILITIES.

HP MultiSeat, with Microsoft®

Meet HP MultiSeat, in exclusive cooperation with Microsoft®. It's the new resource sharing solution that lets you double the number of users for the same investment.

### DOUBLE THE NUMBER OF DESKTOP SEATS FOR THE SAME BUDGET.

- **Extremely simple**, with plug-and-play deployment and no need for extra hardware or specialised expertise
- **Ultra low cost** by reducing the total time and complexity of management and maintenance
- **Extra reliable**, it's a familiar PC experience for up to ten simultaneous users – and supports genuine Windows® 7

Did you know it also cuts energy consumption by up to 80%?  
See [\[URL\]](#) for more information.
