Start

# What type of IT manager are you?

Chilled. Happy. My infrastructure is under control.

Chilled

I usually like my job, except for the occasional late nights and weekends.

Meh

I'm too stressed to be reading this.

Stressed

## Feeling STRESSED

Do you enjoy overtime  
and IT overspend?

Yes

No

## I love overtime

Happily married to your storage system? If you'd rather be at the office than at the beach or a great game, we won't stop you. Invest in EMC or NetApp and you'll spend many more lonely hours managing your IT. Fun, fun, fun.

Your Life Quality score

**0/10**

Zero. No storage cost savings. Nothing in the way of greater LQ. Nothing to live for but longer hours in the office. Better head back and uncover more storage facts, fast.
